Sir:

Upon reviewing the above-identified patent, Patentee noted errors which should be corrected.

In the Claims:

Claim 3, Column 12, Lines 6-9, please delete "3. The energy recovery ventilator as recited in claim 1, wherein said three-dimensional structure induces stirring in said gas stream flowing in said passageway, thereby increasing the effectiveness factor of said plate-type heat exchanger."

Claim 4, Column 12, Lines 10-12, please delete "4. The energy recovery ventilator as recited in claim 1, wherein said three-dimensional structure comprises a plurality of spacer bars."

Claim 7, Column 12, Lines 25-27, please delete "7. The energy recovery ventilator as recited in claim 5, wherein said substantially two-dimensional reinforcement structure comprises a sheet of webbed netting."

OCT 1 2007

Claim 8, Column 12, Lines 28-30, please delete "8. The energy recovery ventilator as recited in claim 5, wherein said substantially two-dimensional reinforcement structure comprises a layer of plastic."

Claim 9, Column 12, Lines 31-34, please delete "9. The energy recovery ventilator as recited in claim 8, wherein said layer of plastic comprises a selected one of polytetrafluoroethylene, expanded polytetrafluoroethylene, polypropylene, and an open cell polymer film."

Claim 5, Column 12, Line 13, please delete "5. An" and replace with --3. An--.

Claim 6, Column 12, Line 22, please delete "6. The" and replace with --4. The--.

This error is based on a failure by the Office to include the claims as filed by way of an Amendment, filed February 17, 2006, in response to the non-final Office Action dated January 23, 2006 withdrawing claims 44, 45, 48, 49, and 50, renumbered as 3, 4, 7, 8, and 9. It appears the foregoing omission was inadvertent on the part of the Office, and Applicant wishes at this time to correct this obvious error to the Claims, pursuant to 37 CFR §§ 1.322 and 1.323.

The mistake was made without any intent on the part of the Office to deceive or mislead the Applicant or others.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Because the errors resulted from the Office, Applicant believes no fee is due with this request. However, if a fee is due, please charge our Deposit Account No. 50-0289, under Order No. 965_009 CON 2 from which the undersigned is authorized to draw.
